**TO:** All Navajo Nation Employee Housing Tenants

**FROM:**

Kimberly J. Houston, Program Supervisor  
Employee Housing Program  
Division of General Services

**DATE:** September 10, 2012

**SUBJECT: Winterization of Heating and Cooling Systems**

The Employee Housing Program personnel will be conducting Winterization on heating and cooling systems on all Tribal Housing units effective September 24, 2012 thru October 31, 2012.

The maintenance technicians will start with the Mobile Homes, Bonito Apartments, Manuelito Drive Apartments, Morgan Blvd Apartments, Tribal Hill Drive Houses, Aspen Canyon Drive Houses, and then the housing units with coolers. Tenants are to disconnect their garden hose during cold/freezing weather.

I have given permission to the Maintenance Personnel to use the PASS KEY to enter all tribal housing.

The program has (2) renovation and multiple projects, in addition to work orders; therefore the Maintenance Technicians will be scheduled accordingly.

Please have your dogs tied up during this time or put in a dog kennel as necessary.

Your communication, coordination and cooperation are appreciated. You may contact our office if you have questions related to the Winterization at (928) 871-7684. Thank you.
